Wednesday Fishing Excursion - This is a new event for the 2011 Conference. This would be a great time to get in some off shore fishing. The event is open to all, no experience needed. The trip would be on Wednesday September the 14th, 2011, boat will depart from Carolina Beach Marina at 7:00am and return to port at noon. Parties of up to 4 per boat. To take advantage of this fishing excursion a \$50 deposit must be paid to NCAUG by August 15th. Information about the fishing trip can be found at the Captain Richard Schoonmaker's website at <http://www.carolinaexplorer.com> Any other questions about registering can be directed to Amy Barron amy.barron@duke-energy.com or (704) 382-4196 or Karen Moore kmoore@harnett.org or 910-814-6172.

Wednesday Night Sunset Boat Cruise - This is a conference favorite that will happen again in 2011 on Wednesday night September 14th. The boat cruise leaves from the dock down the street from the Marriott hotel (easy walk) at 6:00pm. There will be light refreshments onboard provided by NCAUG. If there are beverages of which you would like to partake you are allowed to bring these on board with you. This is an event for all and is included in the registration fee. Extra tickets can be purchased for family or friends for an extra \$10.00 fee.

Thursday Exhibitor Reception - While you wait for the trolley to take you to the Thursday Night Dinner Event at Fort Fisher we will have a Vendor Reception with free appetizers and drink tickets (additional beverages can also be purchased.)

Thursday Night Dinner Event - Thursday night dinner will be held at the Fort Fisher Beach House Bar and Grill. This will be a social event that you do not want to miss. It is also included in the registration fee. Dinner will be Good ole' North Carolina Bar-B-Que and all the fixin's. There will be a trolley that will take people to and from the event which will be a plus because adult beverages will be available for purchase. It will be a great time for all. Extra tickets can be purchased for family or friends for an extra \$30.00 fee.

Workshops:

Creating Effective Web Applications Using ArcGIS Server ----ESRI has worked with us to be able to provide you with a 2 day class at the Marriot. In course exercises, you will work with the lightweight ArcGIS Web Mapping APIs to create a focused application that utilizes internal and external ArcGIS Server Web services. You may choose to complete some course exercises using the ArcGIS API for Flex, the ArcGIS API for JavaScript, or the ArcGIS API for Microsoft Silverlight/WPF. We can accommodate up to 15 in the class. This price includes all materials and taxes. This price is \$664.00 per person which is a \$224 savings over the typical ESRI cost at traditional training locations

Summary: Class: Creating Effective Web Applications Using ArcGIS Server

When: Tuesday September 13 and Wednesday September 14 (8:00am – 5:00pm both days)

Cost: \$664 per person

Issues: Need 12 people to hold class it will be canceled if 12 do not register, the class can accommodate 15

Food: We will provide coffee and water in the am and cookies and water in the pm. Lunch on your own.

Managing an ArcSDE/SQL Server Enterprise Geodatabase at Version 10: Advanced Topics---This seminar will focus on the day-to-day administration of a SQL-Server-based SDE Geodatabase at ArcGIS 10.1-day Training provided by the amazing Kent Rothrock of Highland Mapping: Topics will include, but are not limited to: Vector Data Management, loading, tweaking, updating, import/export, Raster Data Management (new options at version 10,) User access (logins, roles,) Security, Systems integration (tax, inspections, utility billing; etc) - data push and pull, SDE at version 10 (what's new and different inside the repository,) Database tuning techniques - what they are, why we do them, what your options are, SSIS - how to automate data import / export, Tips/tricks/gotchas, and -Other necessary scripting techniques - using DOS, Python, with SQL Server Agent to automate as much as possible

Summary: Class: Managing an ArcSDE/SQL Server Enterprise Geodatabase at Version 10: Advanced Topics

When: Wednesday September 14 (8:00am – 5:00pm)

Cost: \$100 per person (member) \$150 per person (non-member)

Food: We will provide coffee and water in the am and cookies and water in the pm. Lunch on your own.
