BENEFITS OF SPONSORSHIP:

NCAUG Conference sponsorship entitles you to many benefits. Your company logo will be displayed on our conference website page, on shirts that will be given to all conference attendees, on our conference agenda, and on all major email postings. As we are a statewide group, you will have the opportunity to advertise your company/business across North Carolina! Your sponsorship will also be helping a non-profit organization give back to its members by easing the fiscal crunch of conference costs and allowing us to put those funds to their benefit. There are quite a few options open for sponsorship, as shown above.

All levels of sponsorship entitle you to benefits of General Conference Sponsor plus advertisement and special recognition during your particular sponsored event.
