2009 NCAUG Fall Conference
September 16 - September 18

Join your friends and colleagues this fall at the **2009 North Carolina Arc Users Group Annual Fall Conference**, Wednesday September 16th through Friday September 18th. The conference is once again returning to the luxurious Courtyard Marriott in beautiful Carolina Beach, North Carolina.

If you are interested in using GIS solutions to better collect, manage, analyze, and disseminate spatial information, you will not want to miss the best NCAUG Conference ever. Last year's "record" attendance was up 45%, 80% from 2007, and we plan to continue the trend. We welcome GIS Professionals interested in all aspects of GIS and from all disciplines. This is a great opportunity to meet and network with your fellow GIS associates and representatives from across the state and beyond.

Students are encouraged to attend as we will once again have a special Student Session and will be awarding NCAUG Student Scholarships. Vendors will also be on hand to showcase their latest GIS/GPS hardware, software, and services while answering all of your technical questions. New this year, we will be featuring a Poster Session / Contest where several categories will be judged and more prizes awarded. Budget early and reserve these dates on your calendar now. This will be one event filled, fun, and educational conference you will not want to miss.

Dress for the NCAUG Conference is casual, and do remember that you are at the beach, so don't forget the swim suits, beach towels, suntan lotion, and fishing gear. We have negotiated slightly lower hotel rates than last year, the rate will be \$99 plus tax. Book early to ensure your ocean front room at the hotel.

Registration Rates: *(Each includes Sunset Boat Cruise, Thursday morning breakfast, box lunch, Banquet Dinner, Friday morning light breakfast, and a NCAUG shirt)*

Early Registration (Member) - \$110 through August 28, 2009

Late Registration (Member) - \$125 after August 28, 2009

Non-Member - Add \$25 to the above rates
